Statin Prior Authorization Request

MassHealth reviews requests for prior authorization (PA) on the basis of medical necessity only. If MassHealth approves the request, payment is still subject to all general conditions of MassHealth, including current member eligibility, other insurance, and program restrictions. MassHealth will notify the provider and member of its decision. Keep a copy of this form for your records. If faxing this form, please use black ink.

PA is required for quantities greater than 30 units per month for all statins. In addition to the quantity limits, PA is required for Advicor, Altocor, Mevacor, Pravachol, and Zocor. **PA will not be required for quantities less than or equal to 30 units per month for Crestor, Lescol, Lescol XL, Lipitor, or generic lovastatin.** Additional information about statins can be found within the MassHealth Drug List at www.mass.gov/masshealth.
